Listen to the story! Find the right number!

I get up at half past seven. Then I go to the bathroom for ten minutes. I wash my face, brush my teeth and comb and style my hair.

Then I go back to my room and dress myself. I put on my school uniform. I have got black trousers and a white shirt and a red pullover.

Breakfast together with my family is at a quarter to eight. I always have muesli with milk. After breakfast I take my lunchbox and leave the house. I go to school at half past eight. School starts at nine o'clock. I have got a lot of lessons. My favourite subject is Handicrafts.

Lunchtime is from 12.15 to one o'clock. School in the afternoon starts again at ten minutes past one.

I come home from school at four o'clock. Then I do my homework and play with my friends. At six o'clock we have dinner. Sometimes I read a book or watch TV after dinner. At 8.30 I go to bed.

That is my day.
